I Read the article about a basketball player called Susanna Brightman. Are sentences 1-7 'True' (T) or 'False' (F)? If there is not enough information to answer 'True' or 'False', choose 'Doesn't say' (DS). There is an example 0) there for you. [7 points, 1 point each]

#### Susanna Brightman

Susanna Brightman is a young Australian basketball player. She is 195 cm tall, and very fast and strong. Some people say she may become the best player in the world one day. As well as playing for her own country, she plays for a team called *Boston Hawks* in America.

Susanna was born on 15<sup>th</sup> June 1992. Her mother and father were both basketball players and when she was just two weeks old she was already travelling around the country with them while they played basketball. When she was still very young, Susanna told her parents she wanted to play for Australia. At the age of 16, she played for her country for the first time.

But things have not always been easy. When Susanna was twelve, she toured Australia for the first time. One day, the team she was playing for lost an important match because Susanna didn't want to play. Susanna's parents were angry with her but told her that she didn't have to play basketball if she didn't want to. She needed to think hard about her

future. Luckily, Susanna decided she wanted to be a basketball player after all, and since then she has worked very hard to become an even better player.

**Would you like to stay in a haunted hotel?**

*There are some hotels in Britain where there is a ghost. These hotels are haunted. People with a lot of courage and strong nerves can stay the night in one of these hotels. One haunted hotel is Gosforth Hall Inn in England.*

Gosforth hall is a small hotel in Cumbria in the north of England, built in 1658. People say the hotel has the ghost of a Catholic priest. He usually appears in room 11. There is a secret tunnel that goes from behind the fireplace in the hotel lounge to room 11. In 17th-century England, Catholic priests used the tunnel to hide from Protestants.

The owner of the hotel, Rod Davies, says: 'I didn't believe in ghosts before I came here, but strange things happen in the hotel. One guest woke up in the middle of the night and saw a tall man standing next to his bed. He checked out the next morning.' Rod's wife says: 'One night a lot of books fell off a shelf in the lounge. And sometimes when I am working I feel that someone is watching me, but when I turn round nobody is there.'
